

Woodside's 75 Days of Scripture and Prayer

The Book of Acts is one of the most exciting adventures ever recorded. Like spreading wildfire, the Holy Spirit moves the disciples from Jerusalem to the ends of the earth with the Good News about Jesus. As we celebrate Woodside's 75th Anniversary, let's read together this earthshaking story and discover the new birth God wants to give us. A prayer topic is included each day with the Scripture.
