## The Letter of James

James gets right to the point. He gives practical instructions which are clear and concise, convicting and comforting. Each day you'll read only one to four verses so you can spend time reflecting on them. Here are three exercises to help you get the most from your daily dose of James.

**Summarize It** – State a timeless principle from the passage that applies to our world.

**Share It** – tell one person what you will do because of this passage. Fill in the blank: I will \_\_\_\_\_
