

For Stacey, homeownership will mean a place to share meals, make memories and plan for the future. She will finally have a home she can call her own.

Home is where we feel safe, where we pray,
where we share meals and memories.

Everyone deserves a decent place to call **Home**.

This Christmas, a gift was made toward the
FAITH BUILD 2021 home in your honor,
Your name will be written on a stud
used to build the **FAITH BUILD 2021** home.

Your gift also repaired the roof and replaced the heating system
over the **Home** of Woodside Christian Preschool.

Merry Christmas!

Faith Build 2021: A partnership powered by people and passion.

Faith Build brings together Habitat, Thrivent and the local Christian Community to make a real impact on the need for shelter in your community. Through church partnerships that provide prayer, volunteers and financial support, a family will achieve strength, stability and self-reliance through an affordable new home.

You can make a Faith Build gift too. Go to: tinyurl.com/FaithBuild2021
