

## **An Easy Way to Help Your Neighbors Love their Neighbors**

The closure of businesses and the rise in unemployment are causing many people to seek food from one of our local pantries. Food cupboards are overwhelmed and can use our help. Here is a simple way to do it.

On the next page are slips which ask your neighbors to put some canned or dry goods in a bag out by their mailbox for you to collect and deliver to the pantry of your choice.

Type in your name and address on the slips, cut them up and hang one on the flag of your neighbors' mailboxes. I recommend giving them about a week to participate. As you place the slip on the mailbox flag, pray for the people in the house. You may want to put an additional slip on the mailbox the day before you collect the food to remind them.

When you collect the food, put one of the Thank You slips on their mailbox flag.

A list of pantries is on the last two pages. Call the pantry before you deliver to make sure they are there. There is also an exciting project called Bucks County Knocks Out Hunger on Saturday, June 20 9am-12 pm.

Please take a picture of the food before you deliver it and send it to Sue Harris-Milller at [susan@woodside-church.org](mailto:susan@woodside-church.org) We have a challenge to collect 500 bags of food. If many of us participate we'll see a great harvest for our neighbors and Jesus!
